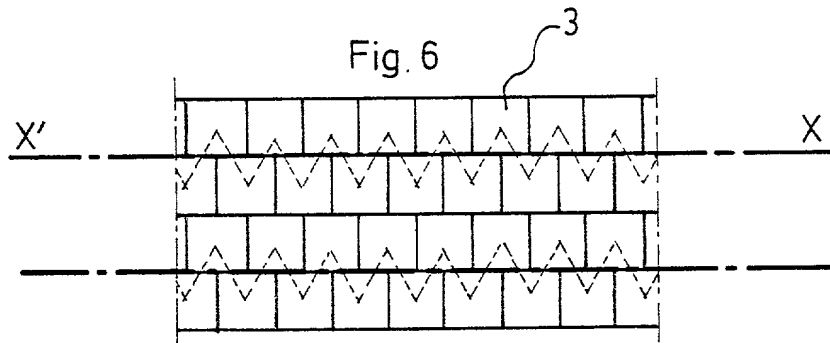

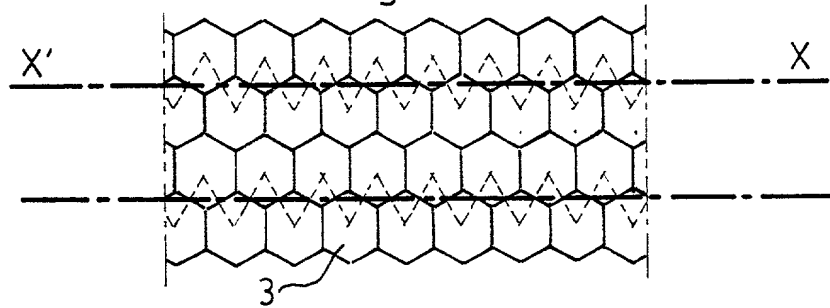

Fig. 7

A line graph showing the variation of current  $I_1$  with scanning direction. The vertical axis has labels  $I_{1\max}$  and  $I_{1\min}$ . The horizontal axis is labeled "Scanning Direction". The curve shows three peaks, with the first and third peaks reaching  $I_{1\max}$  and the second peak reaching  $I_{1\min}$ . A handwritten "37" is next to the curve.
